- 2 - Introduction
- 4 - Lay of the Land
- 5 - Lobby information
- 8 - 2nd floor
- 11 - 3rd floor
- 13 - Garden area
- 15 - A special Thanks

### Introduction

Welcome to the L\*H

Grow House and Plant

Museum. Here you will  
be able to see what each  
plant looks like. You will  
also be able to  
understand a bit about  
cross-pollination and  
color breeding of plant  
variants from the  
Library. There is a bar  
and some scenic areas  
throughout the museum so  
sit back, or look around  
and enjoy yourself.

### Lay of the Land

There are 4 floors  
available to you. Each  
floor has something unique  
to offer so do not  
hesitate to visit them all.

### 1st floor (Lobby)

In the Southwest corner  
is reception. Here you  
can get books, runes, and  
plant/seed samples.  
When on duty the agent  
will be able to answer  
your questions and give  
you a tour.  
in the Northwest  
corner you will find the  
bar. Juices, cordials, and

those little snacks everyone needs to satiate their appetite. Take notice of the beautifully arranged Flower and plant garden behind the bar. Be sure to look at the books at all the larger tables. This is where you get your information sources for the plant life of Sosaria.

## 2nd Floor

### The Museum

Take notice where you stand. The pink box will take you up to floor 3 and the purple to floor 1. Yellow, Bright Yellow, Purple, Bright Purple and Green. As you read, you will find the significance of the layout but to summarize, Each row has 4 parts. Each part for a generation of plants. Going from West to East each back row contains generation 1 - 3 and the large row is generation 4.

## 3rd floor

### Museum

\*Remember Pink up and Purple down\*  
Plain, Red, Bright Red, Blue and Bright Blue.  
Did you know there are 3 plants of the Bright

Red variety that produce red leaves?

4th floor (rood top)  
Museum and Garden.  
Here you will find the Orange, Bright Orange and Bright Green flora.  
There are 2 varieties of Bright green plants that produce Green Thorns.

There are 3 varieties of Bright Orange plants that produce orange petals.

Take the time to relax  
by the water feature and  
enjoy yourself.

We would like to take  
the time to say thank  
you for your support in  
this venture. Lots of  
time and research has  
gone into making this  
available to all. We are  
grateful for your

patronage and donations  
are accepted but never  
required. This is for you  
to enjoy.

Thanks,  
Lord Malo
